Subject: CERTIFICATION OF BS EN-280

Dear Sir,

We are pleased to inform that your firm has been approved for the qualification of the BS EN 280 certification for the installation and assembling of THE MOBILE ELEVATION WORK PLATFORM especially FULLY INSULATED WORK PLATFORM, After both visits for inspection, we found your staff very cooperative and they have very technically resolve all the issues which were high lied during our vists.
We hole you good luck for this certification.

Thank with best regards
